

C02's open lab day!

The sup-project C02 „Exploratory attentional resource allocation by the anterior prefrontal cortex studied across species“ is happy to welcome you to our open lab day on March 02.03, 2023 from 2-4 pm.

Test the visual search task yourself, talk to the team, and learn about recent developments.

Location: OvGU main campus, G24 K010.
