

Seminar

Who: Prof. Konstanze F. Winklhofer
Department of Molecular Cell Biology
Institute of Biochemistry and
Pathobiochemistry
Ruhr University Bochum
Germany

Title: Linear ubiquitylation at the interface
between protein quality control and innate
immune signaling.

Tuesday, June 11, 2024, 3pm

Ebbinghaus Lecture Hall (ground floor)
Brenneckestr. 6
Leibniz Institute for Neurobiology
Magdeburg

Host: Eckart Gundelfinger
LIN Magdeburg
